

DSC-PT002
Application No. 09/321,633

REMARKS

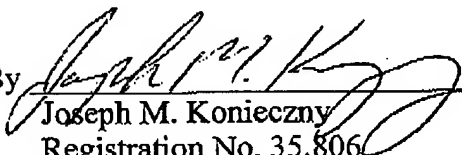

Prior to this amendment, claims 1-43 were pending in the application. Claims 1-14, 18-22, 28, 29, 31-34 and 43 have been canceled. Claims 15-17, 23-27 and 35-42 are allowed.

Claim 30 is objected to as being dependent on a rejected base claim (claim 29), but is indicated to be allowable if rewritten in independent form including all of the limitations of claim 29 and any intervening claims. In response, claim 30 has been rewritten and now includes all of the limitations of claim 29. Accordingly, claim 30 is now believed to be in condition for allowance.

In view of the above-amendments and remarks, applicant believes that the claims define a new, useful and nonobvious invention. Accordingly, an early Notice of Allowance is earnestly solicited.

Respectfully submitted,

Joseph M. Konieczny, P.C.
